

M/V Asper Malene

Chase Guard Support vessel

MV Asper Malene is a preferred vessel for guard services offshore. The ship has an eminent history of such missions, and a wide range of good references. On request, the ship can undertake scopes such as towing and also transport of goods in reefer cargo holds.

Asper Norway AS has a focus on fully experienced Norwegian Crew members and QA HSE.
The vessel is built and equipped to ensure operation time is kept to a maximum between service intervals.

The cargo hold is converted in to a large reefer room which contains an area on 203 m³. Asper Malene has a top speed on 11 knots, making it a good choice for our customers. The vessel is a fully operational Guard Vessel for Operations in European Trade.
